### No Injuries at Structure Fire of Detached Storage Building

On the morning of 6/11/2023 at 09:24 Pen Com dispatch center received a 911 call that a large fire could be seen on Toad Rd north of State Hwy 101. The first arriving fire crew reported a working fire. Upon arrival, firefighters were told that everyone was out of the building by the owner. Firefighters made an offensive fire attack and controlled the fire while protecting two nearby homes within 30 minutes. Fire crews overhauled the area and extinguished several hotspots. Homeowners stated that they were alerted by the sounds of electrical crackling outside their window and called 911 to alert responders of the fire.

Fire District 3 would like to remind everyone that this would be a great time to minimize fire hazards from vegetation by cleaning up outside areas and create defensive space around their homes as the Clallam County Burn Ban approaches on July 1<sup>st</sup>. The responding units to the scene were E34, E33, T33 T37, T34, and 304 with a total of 10 responders on scene. PUD also arrived and secured power as a live powerline was on the ground during fire operations. No one was hurt during this incident.

Questions may be directed to Battalion Chief, Elliott C Jones at (360) 683-4242. Ext. 133.
